Peter,

Thanks for checking in about those, and I'll look into it. One downstream paper is about to be submitted for publication, and the other is in prep (not sure what stage of write up it is in).

Thanks Terry –

Is there any chance to get a hold of the two “downstream” papers listed during today’s presentation?

Alan, Teresa, and Peter,

It was good to meet with you folks today, and I appreciate your participation in the discussion.

Attached are ODF publications (including pre-RipStream), and the link to the WRC coop is below. Please let me know if there’s anything else I can do for you.
